Carbon Capture Technology Expo 2027 — first-time exhibitor checklist

Wednesday, February 10 – Thursday, February 11, 2027 · George R. Brown Convention Center, Houston. These dates are our suggestions, counted back from the opening day.

- [ ] **Wed, Dec 2, 2026** — Book rooms through the Connections Housing link on the organizer's accommodation page, and ignore anyone else who calls offering rooms or a promotion code. SUGGESTED
- [ ] **Wed, Dec 30, 2026** — Send customers the free registration link and your booth number. The All Access Visitor Pass covers both days and both co-located shows. SUGGESTED
- [ ] **Wed, Jan 20, 2027** — Set up your follow-up: data sheets, case studies, budget-quote templates and how you sign off, so every engineer hears back the day you meet them. SUGGESTED
- [ ] **Wed, Feb 3, 2027** — Agree booth shifts and check your parking. The expo opens at 10:00 AM both days and closes at 4:30 PM on Thursday, and road work around the venue can slow the drive. SUGGESTED
- [ ] **Fri, Feb 12, 2027** — Send the last follow-ups on Friday morning, while each conversation from the floor is still fresh. SUGGESTED

Checked against ccus-expo.com on Mon, Nov 16, 2026. Dates change; the organizer's site is the final word. The full guide, with a source for every date: https://meetdrop.ai/events/carbon-capture-technology-expo
